The Principals Corner

May 2, 2011

Dear Ranches Academy Families,

The school year is almost over and it has been full of learning and excitement. Even with all our hurdles, I feel this has been a successful year. The students have shown a tremendous amount of academic growth evidenced by our DIBELS, classroom based assessments, standardized tests, and teacher observation. I am eager for our school's AYP report so we can share our accomplishments with those outside our school family. Thank you for supporting your child in their education!

May 5th and 6th an Accreditation Team will be visiting our school. I am excited to show off our school. This is a new requirement from the State School Board. Our school council elected to do this prior to it being mandatory. This is an excellent opportunity to celebrate our successes and set goals in areas to improve. After we get their report I will email their findings and share what they observed.

Our school will be participating in Pony Express Days this year. The Ranches Academy will be advertised at the movie night, the rodeo, the concert, and the parade. We will be walking the parade and advertising all we have to offer. It will be a great opportunity to reach out the community.

Thank you for all your support this year. It has been a great year and I am looking forward to another year at The Ranches Academy. I love working with the staff and students and being involved in their educational journey.

Sincerely,

Susie Scherer

Director

Thank You!!!!

We just wanted to say thank you to all the help we got with Teacher Appreciation Week! From donated food items to time given to watch the teacher's classes during lunchtime so that they could enjoy a nice lunch everyday! We couldn't have done it without you!
